

Dave Parker is no stranger to high performance driving beginning in 1989 when he graduated the Virginia State Emergency Vehicle Operations Course. Then over the past decade Dave has instructed auto enthusiasts the essentials of car control at high-speed, open track events. As an in-car instructor he has sharpened the skills of hundreds of students on track at speeds well beyond highway limits.

A licensed racer with in the Washington, DC region of the SCCA he has served since 2004 as an instructor teaching other drivers the fine art of auto racing. In 2005 Mr. Parker graduated from the BSR Evasive Driving course. Then in 2008 he began instructing with SCCA's Performance Driving Experience, where he continues today as both a classroom and in-car instructor.

Dave completed the five-day instructor course with BSR in 2011. It is Mr. Parker's passion for expanding his skill set and willingness to teach others that makes him such an important part of our team.
