

Terri Parker participated in her first on track driving event in 1999, a Friday At The Track at Summit Point Raceway in Summit Point, WV. She graduated from the BSR Accident Avoidance School in 1999 and in 2001 earned her Sports Car Club of America Regional competition license.

She raced primarily Volkswagens competing in a 1985 Volkswagen Golf GTi and in a 1980 Volkswagen Scirocco. In 2008 she won the Mid Atlantic Road Racing Series Improved Touring C class racing a 1980 Volkswagen Scirocco. Terri will be competing in a Mazda Miata in the 2013 racing season.

Terri has the distinction of being our first female instructor and her fantastic knowledge base and experience help to show our students that the stereotype about female drivers just isn't true.
